INTRODUCTION

Nagarjuna Engineering Constructions (NEC), established in 1997, is a well-experienced contractor specializing in Operation & Maintenance services, including Mechanical, Electrical, Civil, and Logistics. With a strong financial background. NEC is recognized for its high standards and reliable service delivery to government and private clients alike. The company earned ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 certifications in 2024, reflecting its commitment to maintaining international standards. NEC's operations are overseen by a Board of Directors, supported by a core team of professionals known for their result-oriented approach, expertise, and integrity. The company's leadership is complemented by a skilled workforce of engineers and technicians, ensuring the successful execution of projects.

The company's impressive client list includes government organizations such as APGENCO, APPDCL, NLC, TNEB, and BHEL, as well as private firms like Sembcorp, Tata Power, JSW Energy, Aditya Birla, and others.

NEC has developed a strong reputation for its capabilities in Operation & Maintenance, with specialization in Coal Handling Plants (CHP), Ash Handling Plants (AHP), Ports and Water Treatment Plants (WTP), among other areas. With over 320 experienced engineers and more than 4500 skilled workmen, NEC continues to meet client demands with efficiency and dedication, contributing to the company's growth and success in the industry.

WHO WE ARE

We are specialized in all types of Ports, Thermal power plants, Cement industries, Steel Industries, Chemical industries and Nuclear Plants. We are well experienced in handling of all types of Operation & Maintenance works in all areas of Coal Handling Plant, Ash Handling Plant, Lime Handling, Effluent treatment plants, Water Treatment Plants along with its Auxiliaries, Loco Operations, Automobile and providing man power supply for boilers, turbines & Utilities.

Shri. G. Nagarjun Reddy WTD

Mechanical Engineer having 18 years experience in the field of Operation & Maintenance of Power Plants, Cement, Steel and Ports. Have wide experience in Marketing & Business Management

At NEC, we believe in building not just a successful company, but a meaningful journey that creates value for our clients, partners, and employees. Our vision is to combine innovation, integrity, and teamwork to set new benchmarks in the industry.

The strength of NEC lies in its people – their dedication, creativity, and relentless pursuit of excellence. Together, we are shaping a future where every challenge becomes an opportunity and every success is shared.

Our commitment is to deliver sustainable growth, nurture long-term relationships, and create an organization that thrives on trust and performance. NEC is not just a company – it is a vision of progress, driven by passion and purpose.”

– G. N. Reddy

COMPANY OVERVIEW

Operating Since
1997

Located in
10 States and
Expanding Globally

**Leading
End-to-End
Engineering
Service Providers**

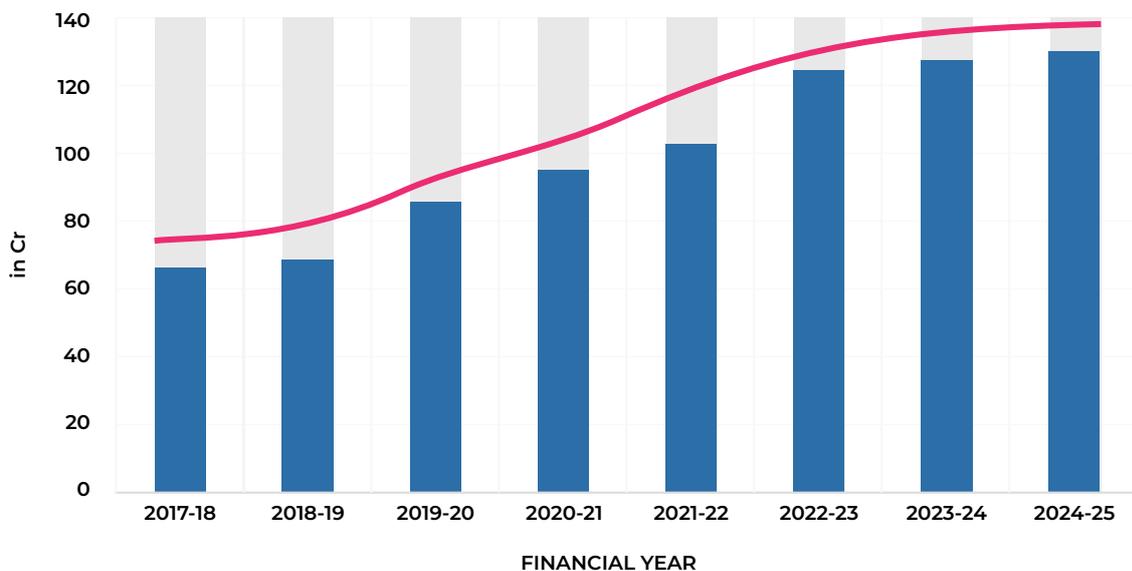

5,400+ Employees
(Excluding Sub-
Contracting Man
Power)

**Design, Fabrication
Erection,
Commissioning,
O&M Services in
all Sectors**

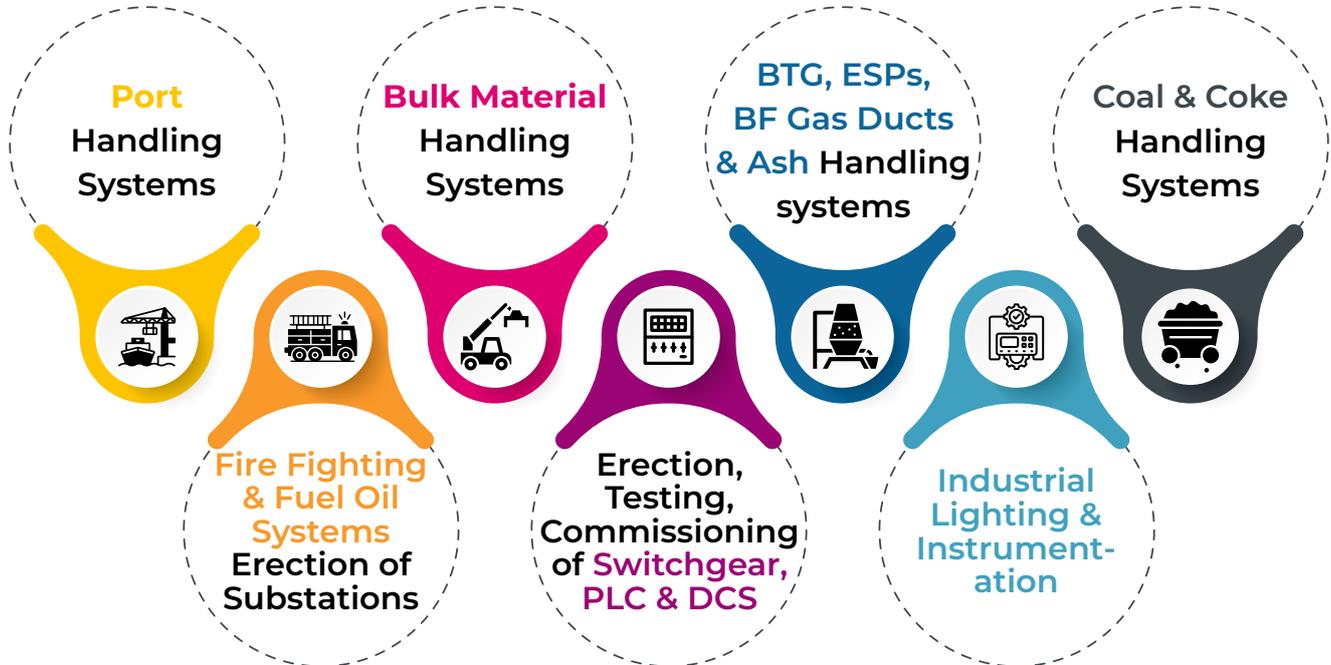

**Highly trusted &
Preferred Partner**
for all preferred partners

DRIVING FORWARD: YEARLY GROWTH INSIGHTS

WHAT DO WE DO

We are specialized in executing Operation and Maintenance activities & Projects of

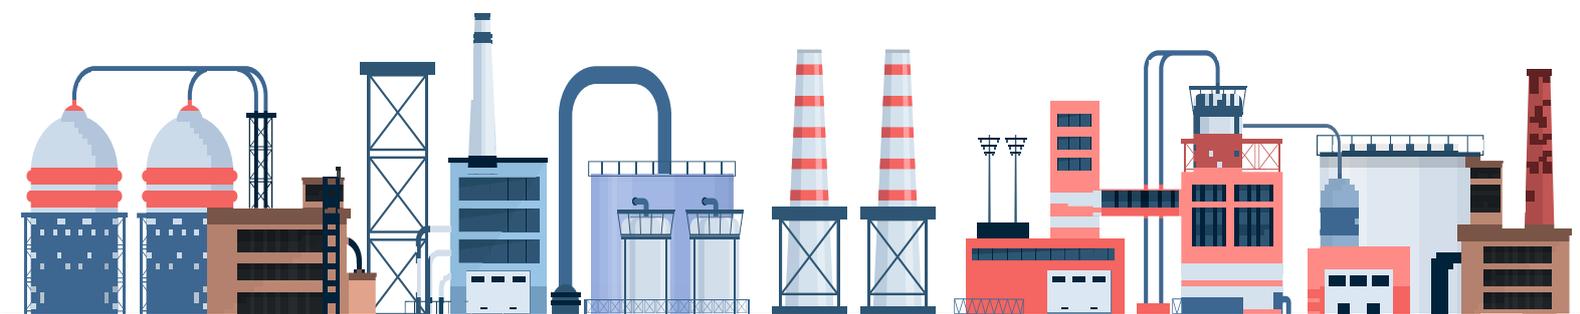

MISSION

Commitment, Integrity, In time delivery, Efficiency and Cost Consciousness with high standards of safety to achieve Organization's goals that transforms to alignment with Clients requirements & targets

VISION

To be a preferred global service provider in providing best solutions with optimized cost for multiple sectors

POLICIES

QUALITY POLICY

We are committed to meet customer requirements and satisfaction by providing best quality services and products. We will always achieve and maintain effectiveness of Quality Management system by Employee motivation and bring continued improvement in the system.

ENVIRONMENTAL POLICY

Reuse or Recycle policy is being implemented at all our projects ; all precautions are being taken to minimize damage to the environment

HEALTH & SAFETY POLICY

Safety is everyone's responsibility at our organization. We adhere to all policies of Health & Safety.

ODC Standards Certifications

Certificate of Registration

The ODC Standards Certifications hereby certifies that:

NAGARJUNA ENGINEERING CONSTRUCTIONS

FLAT NO.4/D, KINGS COURT APARTMENT , MAGUNTA LAYOUT, NELORE, POTTI SRIRAMULU
NELLORE, ANDHRA PRADESH – 524003.

has been found to conform to the Management System Standards:

ISO 9001:2015, ISO 14001:2015 & ISO 45001:2018

with a scope of:

Execution of Mechanical, Electrical & Civil Works.
Operations & Maintenance of Mechanical, Electrical & Civil Works.
Providing Mining, Port Material Handling, Logistics, Industrial Suppliers, Bulk Material Systems,
EPC (Engineering, Procurement & Commissioning) Projects and Cargo Services.

"Further clarifications regarding the scope of the certificate and the applicability of the standard requirements may be obtained by consulting the organisation." "This is an accredited certificate sanctioned for issue by STANDARDS ACCREDITATION COUNCIL FOR ASSESSMENT SERVICES PROVIDERS (SACASP) in accordance with the requirements of ISO/IEC 17021: 2016. The validity of this certificate can be verified by checking the Directory of Certificated Organizations maintained at the SACASP website www.sacasp.org."

SECTORS

POWER

With over two decades of experience, we have actively contributed to the Power Sector by delivering high-quality Operations & Maintenance services. Our expertise spans Coal & Ash Handling, BOP, Main Plant support, and Boiler & Turbine Maintenance. We now serve as a preferred KPI-based O&M provider for units up to 800 MW and complexes up to 2640 MW.

CEMENT

Our association with Cement Industry is about 15 years and became part of leading cement manufacturers like Ultratech, Dalmia Cements, My Home Cements, Ramco Cements and also played a key role of restoration of cement plant from sick stage to operational stage and Services of O&M being continued as long-term association

STEEL

We are very honored to be part of Steel Industry for more than 15 years of association as strategic partners with MNC & PSUs and providing continual performance & responsible part of end-to-end process of Steel manufacturing cycle from RMHS, Sinter Plant, Blast furnace, SMS, Rolling Mill, IL, Coke Oven, Slag handling and waste minimizing techniques like by recycling slag & scrap etc

SECTORS

PORT

In recent years we have established our presence in the Port Operations of Private Port Operators and as business partners we have demonstrated continuous & sustained performance in achieving the Target quantities with optimum resources and given high thrust on Safety & Environment.

We have a long-term association with M/s NLC, and through repeated orders, we expanded our services to the mining sector in recent years. We established our footprint by bringing significant improvements from the Material Receipt Station to Material Dispatch via a mechanized Rapid Loading System. As responsible strategic partners of Coal India Ltd subsidiaries (SECL & MCL), we consistently strive to add further value to one of the “MAHARATNA” companies.

MINING

LOGISTICS

NEC offers nationwide logistic support by providing machinery for plant erection. Our extensive portfolio includes industrial equipment for earth-moving, transportation, drilling, tunneling, pile-driving, material handling, and hoisting. In addition to heavy machinery, we supply essential construction tools like pneumatic hand tools, hydraulic hammers, and compressed air-powered devices. We also specialize in conveyor belts for waste removal and systems for concrete and water pumping on construction sites.

SERVICES

OPERATION & MAINTENANCE

NEC ensures that your facility runs at optimal performance throughout the year by devising tailor-made O&M Services, competencies, processes and tools. We constantly support our clients through our proven PDCA models that ensure seamless functioning of machinery on a daily basis, regular checking of systems and equipment and the safety of workers. With our holistic O&M suite, we made our clients achieve the full potential of their businesses.

DESIGN, FABRICATION, ERECTION & COMMISSIONING

Fabrication & Erection forms the quintessential process in building the machinery infrastructure for an industry. It involves engineering machines, mechanical paraphernalia and devising structures that facilitate the free flow of production process.

NEC stands tall in the nation's Fabrication & Erection façade with its decades of experience in handling a mammoth array of projects both nationally and globally. Our expertise includes:

- Fabrication & Erection of FGD Absorbers, large diameter tanks and structures in Power Plants.
- Erection of Electrical, Instrumental & Control work for Coal Handling Plants, Ash Handling Plants & Cement Plants
- including installation of Panels, Switch Gear, Transformers and Lighting work.
- Fabrication, Erection, Testing and Commissioning of the complete Ash Handling System.
- Handling, laying, welding, erection, testing and commissioning of large diameter cooling water piping and Fire
- Fighting System in Power Plants.
- Fabrication, erection and testing of Yard Piping, Non IBR Piping and Effluent Treatment Plant.
- Erection of various equipment, piping, structures, BF Gas Piping including rotating equipments in Integrated Steel
- Plants.
- Handling Port activities such as fabrication & erection of loco sheds, tankages and piping.

SERVICES

CIVIL WORKS

NEC stands out in Civil Works, known for exceptional forecasting and flawless execution. Our handpicked team of engineers follows a meticulous process—from understanding client needs and precise planning to expert designing and on-ground execution. Our portfolio features large-scale chemical, oil, gas, and limestone sheds, along with advanced effluent treatment plants and ash handling systems in power plants, all delivered in compliance with environmental and government norms.

Our transparent, trust-driven approach ensures quality at every step—from accurate cost estimates, infrastructure planning, and material selection to logistics and location finalization. With NEC, clients benefit from deep expertise, full-spectrum project support, and an unwavering commitment to excellence.

OUR SPECIALITIES

- Operation & Maintenance of entire Coal Handling System, Ash Handling System, Limestone Handling System and Automobiles.
- O&M of a variety of equipment including wagon tippers, locomotives and operations for loading and unloading coal, slag, cement, clinker for cement plants.
- O&M of Material Handling System including wagon tippers, apron feeders, twin boom stackers, belt conveyors, crushing vibrating feeders, vibrating screens, travelling tippers, dust extraction and dust suppression systems, sinter plant etc., for steel plants.
- Providing experienced manpower like Engineers/Technicians for plant operations management.
- We handle O&M on lump sum basis, manpower supply basis and on quantity basis depending on the client's exact need

OVERSEAS BUSINESS

NEC - DELIVERING GLOBAL OPERATIONAL EXCELLENCE

NEC is a trail-blazing global company specializing in Operations & Maintenance (O&M) services, catering to the multifaceted requirements of our esteemed clientele. Founded in 2023, our unwavering commitment to unparalleled excellence and unwavering client satisfaction has propelled us to the forefront of the O&M service industry. Our journey began with the establishment of our first overseas branch in Dubai, marking a significant milestone in our global expansion.

NEC GLOBAL FZC: A Hub of Excellence

NEC GLOBAL FZC stands as a proud subsidiary of NEC, strategically located in Fujairah, UAE since 2023.

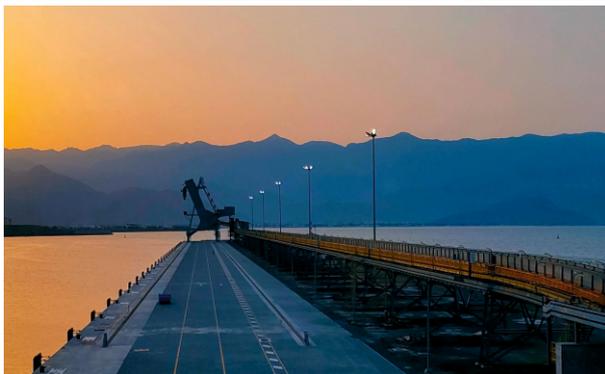

In this same year, we initiated groundbreaking O&M operations in bulk material handling within ports, proudly serving the following locations:

1. UAE
2. Oman

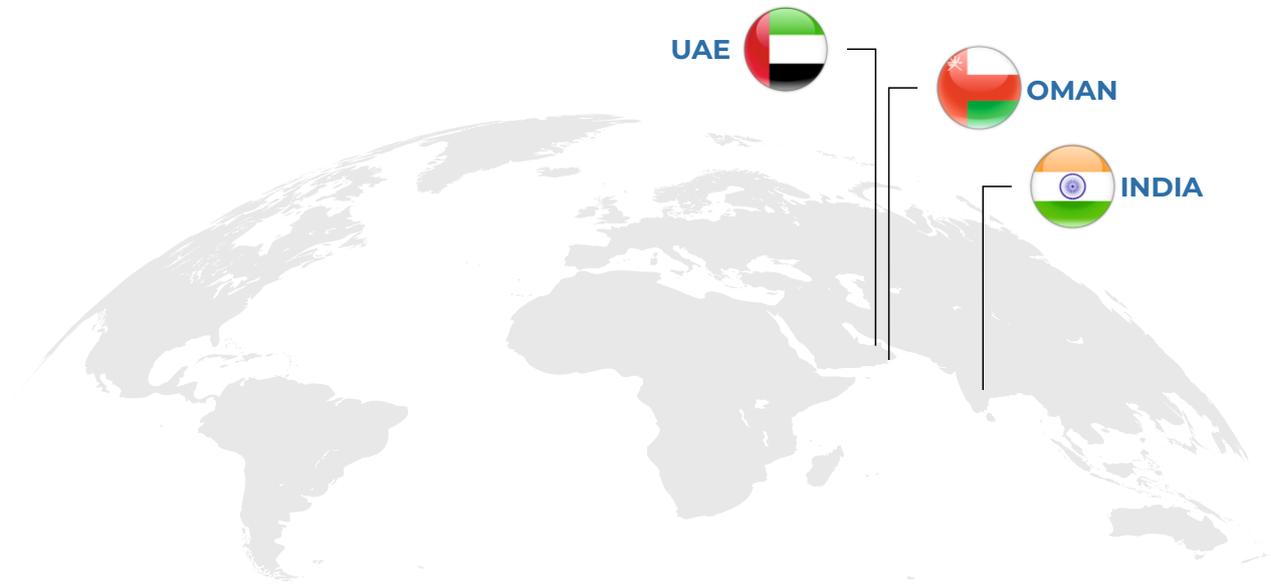

This bold step into overseas markets has fortified our position as pioneers in offering comprehensive O&M solutions within the dynamic port industry.

Expanding Presence Across GCC:

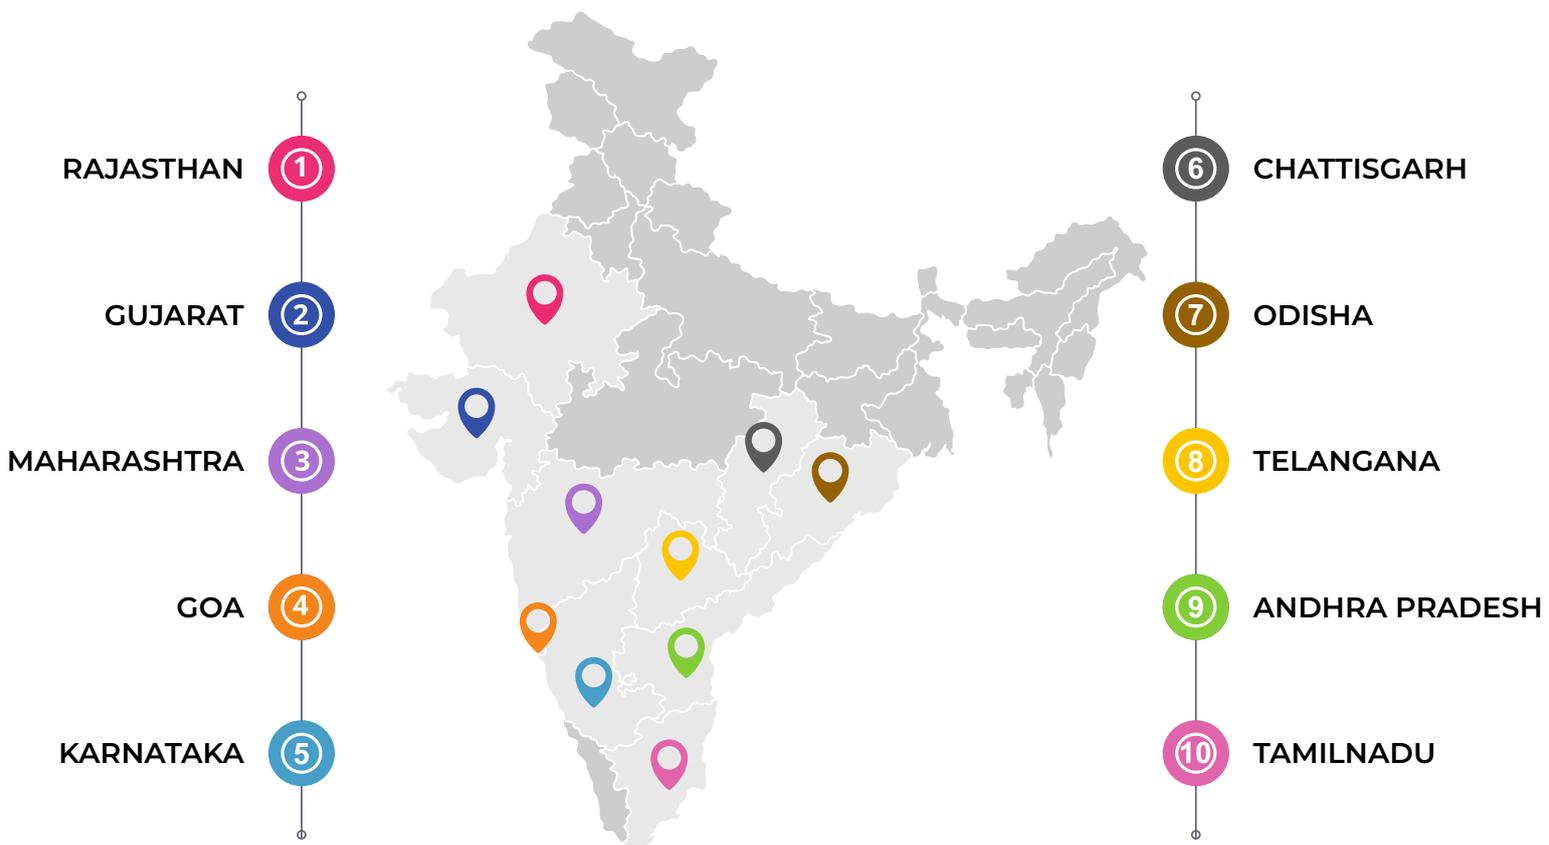

At NEC, our vision extends beyond boundaries. We aim to expand our footprint across the Gulf Cooperation Council (GCC) region by actively seeking and acquiring projects in every member state.

SNO	NAME OF CLIENT	CAPACITY	NAME OF WORK	ONGOING	COMPLETED	WORK VALUE PER ANNUM (IN LAKHS)
1	VIZAG GENERAL CARGO BERTH PRIVATE LIMITED	70000 TPD	Operation & Maintenance Contract for Coal handling Terminal of Vizag General Cargo Berth (VGCB) at	Sep-18	Sep-21	1150
2	ARJAS STEELS (Earlier known as GERDAU STEELS)	822 TPD	Operation & Maintenance of Raw material handling Plant, wagon tippler, Apron Feeders, Twin Boom Stacker, belt conveyers 5 km length, Crusher, Stacker cum Re-claimer, vibrating feeders, vibrating screens, travelling trippers,	Mar 2015 - Till Date		1250
3	ARJAS STEELS (Earlier known as GERDAU STEELS)	822 TPD	Operation & Maintenance of sinter plant, internal logistics, slag processing, scrap processing	Mar 2015 - Till Date		1080
4	RASHTRIYA ISPAT NIGAM LIMITED, VISAKHAPATNAM STEEL PLANT		Total maintenance Contract of three systems (1. Ore Reclaiming Conveyors, 2. IOSA Conveyors & Equipments, 3. Boiler Coal & PCI Conveyors and Equipments) for Uninterrupted Supply of Iron Ores, Fluxes to S.P & B.F and Boiler Coal To TPD and BCLs Blast Furnace	Dec 2018 - Till date		789
5	RASHTRIYA ISPAT NIGAM LIMITED, VISAKHAPATNAM STEEL PLANT		Technological Assistance in Batteries of CO&CCP.	Jan-20	Jan-22	681
6	JSW ENERGY LTD	4 * 300 MW	Operation & Maintenance Ash handling Plant, Coal Handling Plant, Local Operation of CWP, CT, FGD, SWIP, FOPH, Local Valve Operator, Ash Sampling, Assistance in	Jul-16	Nov-21	1700
7	APGENCO (SDSTPS) KRISHNAPATNAM	2 * 800 MW	Carrying out the Operation & Mechanical Maintenance, Preventive Maintenance, Emergency & Breakdown Maintenance, Electrical, C&I works, Up keeping of	Apr 2016 - Till date		420
8	APGENCO (RTPP)	2 * 210 MW	Operation & Maintenance of Coal Handling Plant	April 2018 -Till date		610
9	APGENCO (RTPP)	2 * 210 MW	Operation & Maintenance of Ash Handling Plant	Apr 2016 - Till date		180
10	SEMBCORP ENERGY INDIA LIMITED	2 * 660 MW	Maintenance of Ash Handling Plant	Apr 2018 - Till date		250
11	SEMBCORP ENERGY INDIA LIMITED	2 * 660 MW	AMC Contract of Boiler & Turbine Operations	Apr-18	Apr-20	250
12	SEMBCORP GAYATRI POWER LIMITED	2 * 660 MW	Maintenance of Coal Handling Plant	Apr 2018 - Till date		301
13	SEMBCORP GAYATRI POWER LIMITED	2 * 660 MW	Maintenance of Ash Handling Plant	Apr 2018 - Till date		250
14	LANCO INDUSTRIES SRIKALAHASTI	1200 TPD	Operation & Maintenance of Sinter Plant and Cement Plant	April 2016 - Till Date		510
15	ULTRATECH CEMENT LIMITED APCW, TADIPATRI	6000 MTPD	Raw material handling system, maintenance of tippler, Weigh Bridges, Apron Feeders, Side Arm Changers, Coal Crushers, Stacker Cum Re-claimer, In line Magnetic Separator, Metal Detector And Crusher System	May 1998 - Till date		316
16	TRF LIMITED, NTPC KUDGI		Operation & Maintenance of Wagon Tippler		June 2018 - Apr 2019	100
17	NLC TAMILNADU POWER LIMITED	2 * 500 MW	Operation & Maintenance of Coal Handling Plant and its Auxiliaries From Port To Plant		Feb 2016 - Feb 2018	1150
18	NLC INDIA LIMITED (TPS-I EXPANSION)	2* 500 MW	O&M of Ash Handling system		April 2016 to Mar 2018	370
19	NLC INDIA LIMITED (TPS-I EXPANSION)	2* 500 MW	O&M of Lignite Handling system		May 2016 - Apr 2018	430
20	NLC INDIA LIMITED (TPS-II EXPANSION)	2 * 250 MW	O&M of Lignite Handling system		Nov 2017 to Oct 2019	1013
21	NLC INDIA LIMITED (TPS-II EXPANSION)	2 * 250 MW	O&M of Lignite Handling system		June 2015 - Nov 2016	420
22	APGENCO (SDSTPS) KRISHNAPATNAM	2 * 800 MW	Carrying out the Operation & Mechanical Maintenance, Preventive Maintenance, Emergency & Breakdown Maintenance, Electrical, C&I works, Up keeping of		Mar 2015 - Aug 2016	340
23	THERMAL POWERTECH CORPORATION INDIA LTD	2 * 660 MW	Operation & Maintenance of Coal Handling Plant		Jan 2016 - Dec 2017	360
24	MEENAKSHI ENERGY LIMITED	2*150 MW	supply, operation and maintenance of Wheel Loaders, Dumpers, Excavators, Dozers for Coal Handling Plant and Ash area Grading, in the Ash pond, load capacity (5 Tons).		July 2014 - Nov 2016	450

ACHIEVEMENTS

60,000 TPD – Port Operations
/ Ore Extraction (Stacking)

10,100 MW – Power Plants (O&M)

55,000 TPD – Cement Plant (O&M)

330,000 TPD – Raw Material
Handling (Power, Mines & Steel)

Best Service Provider – VGCB,
Vedanta Ltd.

Gold Medal – SDSTPS, APGENCO
(Ash Handling)

Silver Shield – Neyveli Lignite
Corporation, NLC

Best Performance
TATA Power Ltd

Best Contractor – Gerdau Steel
India Ltd. (Safety Evaluation)

Best Service Provider – Gevra
Mines, SECL, Coal India Ltd
